United Aircraft Maintenance

Introduction

United Aircraft Maintenance is a GACA 145 approved Repair Station, located in King Khalid International Airport, Riyadh – Saudi Arabia

We are a 100 % Saudi Company and partnering with EU Wings, an EASA 145 approved Repair Station (providing maintenance services to 14 international airports)

Our Vision

To be the leading aircraft maintenance services provider in the Gulf

We aim for the highest level of professionalism in the line and light maintenance

We take pride of our experienced aircraft engineers, as they are the core of our business, and we value our customers as they are our first priority

Benchmarking

SWOT Analysis

Strength

- 100% Saudi Company
- Working 24/7
- Highly experienced engineers

Opportunities

- Strategic partnership with SAEI and others
- Expansion to all KSA cities
- Be the main services provider

Weakness

- Current market high turn over
- Current competitors

Threats

- New competitors
- New airport relocations

Our Initial Target

United Aircraft Maintenance is targeting to perform line and light maintenance for a total of 50 aircraft per day (25%) of total current capacity of KKIA (200).

**KKIA will be our first maintenance hub. Other stations to follow:
Jeddah – Medina – Dammam – Neom**

THANK YOU

**United Aircraft Maintenance is
looking forward to the collaboration
with your company**
